1. Introduction:

The intention of Modicademy Boarding School is to create a home away from home for your child. We provide you with a safe facility where you can rest assured that, although your child can't be with you during the week, he/she will be loved and cared for in a safe environment. At Modicademy we live like a family, but we function like an army.

2. General:

Boarders are expected to know and obey the 21 Rules of This House which you will find attached to this document. Each boarder is bound by the school's Code of Conduct for boarders, and the Boarding Policy and Rules. The founder, Principal, staff members or school will not be responsible for the loss or breakage of personal property of any student.

3. Admission:

Admission to the school does not imply automatic admission to the hostel. The founder and principal alone are responsible for the regulation and control of any hostel admission. The founder and principal reserve the right to ask for a report from the present/previous boarding school regarding the behaviour of an applicant. At the end of every year the boarder will apply for re-registration.

4. Boarding fees:

A once-off deposit is due as soon as the applicant is approved to attend the Modicademy Boarding Facility. The registration fee is non-refundable. Each parent/guardian is responsible for the full boarding fees of his/her child/children.

Boarding fees are payable in advance each month for 12 months, term or year, or as agreed in writing with the founder or principal. If fees are not paid in advance, parents will be notified. If fees are still not paid or a written agreement is not made, then the parents will be advised to collect their child/children from the boarding facility, until proof of payment is received.

Learners may continue staying in the hostel only if their boarding fees are paid up. If an account is not paid up by the first of each month, or an arranged date is not agreed upon with the founder and principal, the boarder will be asked to leave the boarding facility and become a day scholar until the full amount has been settled.

Boarders must give one term's notice if they will be leaving the boarding facility, at any time of the year.

5. Staying in at weekends:

A fee will be charged per weekend when students decide to stay in. Parents need to book and pay the week-end fee before Wednesday @ 16h00 to stay in. Some weekends the hostel will be closed to give boarding staff time to rest. Dates for "Boarding Weekends" are available on the calendar.

All boarders must be signed in and out by their parents or persons responsible for fetching them and bringing them back. The same procedures that apply to weekends, apply to signing in and out for the holidays.

The signing out policy protects the boarders and the hostel. No boarder may leave the hostel without permission, or be fetched by anyone without signing out.

If a parent/guardian wants the student to stay in over the weekend, the weekend booking must be made before Wednesdays @ 16h00. There will be extra costs involved for staying in over weekends. This fee needs to be paid before Wednesdays @ 16h00 for the student to be allowed to stay in on the weekend. The reference for the payment is the "child's name" and "weekend."

All boarders traveling by bus/taxi may not board the bus unless signed out by the staff member on duty and the bus/taxi driver.
