

INTERVENTION **CLASS**

**Tailored to support learners
with learning difficulties.**

Exciting News at Modicademy: The launch of an Intervention Class

We at Modimolle Christian Academy, are very proud to announce that we have a new specialist class at our school. This is an Intervention Class, possibly the only one in our area, designed for students who find it difficult to cope within a mainstream classroom. It is specifically designed for a few students who struggle with the basics and who constantly feel under pressure.

So, what is an Intervention Class? It is a class that gives students the opportunity to learn at their own pace and to make rapid progress in English (Reading, Comprehension, Writing), Math's and Reasoning skills. Lessons are also designed to improve focus and concentration levels. Any child in the Intervention class who makes rapid progress, is integrated back into the main classroom, when they are ready academically.

**Please Note, our students will be working with an experienced teacher, who will also be heading up the program to suit our students.
It's never too late to enroll your child at our school.**
